➤ Learning Management System (LMS)

- The LMS has been developed to help you to access learning, training and development opportunities to support acquisition of skills, knowledge and understanding. You can access e-learning modules within this site, most of which are free of charge. You can book yourself onto face to face learning events - all your learning is recorded in your personal learner record.

e-learning modules are available on core subjects including:

- » Introduction to the TSC
- » Introduction to the ECC
- » Asset Management Toolkit

The learning gateway is constantly undergoing development and updated with new learning opportunities provided by the MHA skills community, sector partners and our members, so login regularly to get the most from this free site.

“The site also hosts helpful resources, reference documents and links to other useful sites - so ensure you and your colleagues are registered.”

How to register

The screenshot shows the Virtual College learner dashboard. At the top, there is a navigation bar with 'Home', 'Virtual College', 'Help & Support', and 'Logout'. Below this is a 'Dashboard' section with tabs for 'Active Learning', 'Completed Learning', and 'Requested Learning'. The 'Active Learning' tab is selected, showing a list of courses. On the right, there is a 'Learner Profile' section with a 'Click here to view your learner profile' callout. Below the profile, there is a 'Messages' section with a 'Click here to see other resources and links available' callout. At the bottom, there is a 'Click on the tabs to navigate around your learner record' callout. The dashboard also features the MHA logo (Midlands Highway Alliance Driving Collaboration) and the Virtual College logo.
