

Preparation of Local Cycling and Walking Investment Strategies (LCWIS) workshop

Join us on 5 April for a one day MHA workshop – led by AECOM, who have assisted a number of authorities in the development of LCWIS. The workshop will include:

- Strategy development
- Infrastructure and action plan preparation and the prioritisation process, including the use of census and other social and economic data, GIS mapping and tools such as the propensity to cycle
- Active Travel Plans and the wider public health and sport agendas
- Monitoring and review of strategies and initiatives
- Route audits
